

Lisa Rawlinson
Reflections Chair
April 2017 Report

The 2016-2017 Suffolk Region PTA Reflections program will be completing the 2016-2017 year with our Reflections Showcase this Saturday, April 29th at Dawnwood Middle School. Invitations were sent out in March and we currently have 11 families that RSVP'd for a total of 39 attendees. This year 2 of the judges have accepted invitations to attend the event.

National PTA announced the 2017-2018 theme, ***Within Reach***. Units planning on participating in next year's program can begin planning their programs now. Based on the experience with the chairs over these past two years, the Reflections Program training will be revamped for the Reflections Suffolk by the Sea workshop in July. Hopefully, the changes will provide a smoother process for all chairs, new and experienced.

I would like to thank the Executive Board for the opportunity to chair the Reflections program these past two years. Additionally, I want to share my gratitude to all the other SR PTA volunteers who helped me these past two years with this important program. It will be a pleasure to assist the incoming chair however possible with next year's program.

Upcoming Dates:

- Saturday, April 29th – Suffolk Region PTA Reflections Artwork Showcase 9am-11am
