 Reflections Chair  
 February Report

The 2016-2017 Reflections program has completed judging and the advancing artists have been selected. I would like to thank all the volunteers to assisted me during the Reflections Drop off. The list of award recipients was emailed to the chairs and is also online. In total 78 units participated in this year’s Reflection program, submitting in total 506 pieces of student artwork. The artwork categories resulted in the following:

	<u>VISUAL ARTS</u>	<u>PHOTO</u>	<u>DANCE</u>	<u>FILM</u>
<b>Primary (PK-2)</b>	68	21	4	3
<b>Intermediate (3-5)</b>	75	48	16	12
<b>Middle School (6-8)</b>	25	15	5	10
<b>High School (9-12)</b>	12	10	1	2
<b>Special Artists</b>	5	4	0	0

Per the numbers above, similar to last year, visual arts is the most popular category and there was an increase in the number of 3D artwork pieces submitted. Like last year, there are a few tweaks that can occur in the process and workshop training that will allow the submission and advancement process to work more smoothly.

Artwork has been collated and was returned to the units. There still is remaining artwork that needs to be picked up and chairs that missed the initial pick up have been contacted to arrange to pick up with me. Another reminder will be sent this coming week for those units with any outstanding artwork. The Award Showcase is scheduled for April 29<sup>th</sup> a change from the date originally scheduled on the calendar, all chairs with advanced artwork have been notified and an invitation will be sent to them shortly to distribute to their students.

Questions from districts should be sent to me via the following email address:
