

## **Reflections 2016-2017 – November Report**

By Lisa Rawlinson

The 2016-2017 Reflections program is a few weeks away from the units completing judging and handing in the amazing student artwork to Suffolk Region. There have been a few questions from the units that are being addressed as received. Shortly we will be reaching out to individuals to judge the advanced artwork for SR. During the November BOM meeting, I will be looking for volunteers for pick-up; please consider assisting during this time, it is a wonderful opportunity to see the marvelous artwork from the students.

Questions from districts should be sent to me via the following email address:

[ReflectionsSRPTA@gmail.com](mailto:ReflectionsSRPTA@gmail.com), the new email address is also on the SR site so chairs can also be directed there.
