

Historian Report

All Board of Manager members are required to fill out a Biographical Form. A link to the form was emailed to all members by our Corresponding Sect'y Lisa Rawlinson. If you have not done so, please fill out the form electronically. Please rest assured that this information is secure, as it is not stored in a cloud and is sent directly to me.

Additionally, all Board of Manager members will need to be a member of a PTA. Once you receive the email from NYSPTA that contains your membership card, please forward it to me at stephieg@optonline.net or text a picture of your card to me at [516-236-2781](tel:516-236-2781). All membership cards MUST be received before the start of the October Board of Managers meeting. Thank you in advance for your cooperation!

Respectfully,
Stephanie Gurin
Suffolk Region PTA Historian
