Youth advocate report of September 20th 2021 meeting

. The 2021-2022 School year started for all students of Suffolk County on September 9th 2021.

. The 2021-2022 school year will be a great year because most schools are resuming most of their normal school activities such as clubs.

. After school events and sports- below you will see a list of some of the sports that most schools resumed for this fall.

High School/Middle school

- . Athletics for all
- . American football
- . Cross Country Running
- . Cheerleading
- . Soccer

If you would like to join a sport, please contact your athletic director.

. Most Students will be getting free breakfast and lunch during the 2021-2022 school year and in most schools students will no longer be eating breakfast and lunch in their classroom students will return to the cafeteria.

. Most schools in Suffolk county have implemented an app called Here comes the bus. The app lets parents know where their child's bus is located. Also, the State of New York has implemented more school bus safety regulations to ensure child safety such as cameras on all school buses, stop signs, and a security system that consists of 3 cameras inside all the buses in New York State. Most school districts are predicting to return to normal pick up and drop off times by mid september.
